It is a pleasure to join your family, friends and community in recognizing your achievements as a non-profit organization promoting Chinese culture and the advance of Chinese-Americans.

Your commitment to providing various programs to the greater Boston area, including Chinese language teaching, publication of a Chinese-American journal and participating in activities of scholarly and cultural exchange, is commendable and sets a great example for all to achieve sustainability.

Again, congratulations on your 20th anniversary and I wish you much in all your future endeavors.

Sincerely,
