Donation for SiChuan Earthquake Relief

Dear friends,

On Monday 12 May 2008, a catastrophic earthquake struck Sichuan Province, China. The 7.9-magnitude earthquake has caused 22,069 dead and over 14,000 people are still buried by 5/16. Tens of thousands of children were buried or killed under the collapsed buildings at schools. Millions of houses and facilities were destroyed.

To help provide food and shelter for the victims and to help them rebuild homes, Cambridge Center for Chinese Culture is calling for support from the entire CCCC community, our friends, families and neighbors. We will organize a donation table in this weekend at CCCC Waltham facility (5/17-5/18) from 11am to 3pm. You can either donate cash to our donation box or using checks to donate. If you use check to donate, please make the check payable to one of the following organization and pass the checks to CCCC officers.
