Dear Parents,

On Sunday, June 16, Neil Chyten, president and founder of Chyten Educational Services, will be discussing his company's upcoming summer classes to be held at CCCC. Also, Mr Chyten will be discussing changes to the new national curriculum, the replacement of MCAS with PARCC, and how students can receive the highest possible grades and test scores under the new system. Mr Chyten will also be available to answer questions about your child and anything else related to the field of education, including admission into America's Top Colleges. Mr Chyten is one of the country leading educational experts, with more than 30 years of experience as an educator and education business leader.
